March 2015.

Greetings to you.

My name is Dave Barnes and I manage the NPO Westlake United Church Trust. Our staff of 61 focuses on Community Development in Westlake Village, specifically relating to: Health, Community Advice and Education.

May I encourage you to watch a 2minute video entitled "our story," to be found on our website www.wuct.org.za We would also love to invite you to visit, our campus and give you a short tour of the project, so that you can see and experience first- hand, what we do here at WUCT.

Westlake Village is a "vibrant community", home to over 10,000 people, and yet the residents face many challenges.

WUCT has made significant impact in the pre-mentioned aspects of 'Development over the past thirteen years.

I would like to offer you the opportunity to partner with us this initiative into the future.

If you would be prepared to invest in our work (and it could be from as little as R100.00 a month- you can determine your level of investment) we will continue to deliver the services. All donations receive an 18 A receipt for submission to SARS, and a BBBEE qualification letter.

Transparent financial management is available in the form of monthly financial accounts and written narrative reports are offered on request. (We are audited annually.)

I would like to introduce Marie- Elliott Jones who has been tasked with contacting all the companies in the local Business Parks, to assist with our fundraising efforts and Marie will provide answers to any questions relating to our project.

Thank you for taking the time to read this letter.

Yours sincerely,

Dave Barnes.
