Terms and Conditions

- A once off installation charge of R899.00 [VAT Incl.] is applicable for both the BBC Fibre and BBC Fibre Lite services. This cost will be waived for the first 2000 customers.
- The monthly service charge indicated is based on the contract term selected for the BBC Fibre service. The BBC Fibre Lite service is ONLY available over a 24-month contract period.
- Prices are valid for a period of 30 days from date of proposal.
- Each service plan includes Broadband Internet Access, a Broadband Router and Fibre Access.
- The provision of services is subject to credit vetting and subsequent approval from Vodacom Commercial Finance.
- All solution elements are dependent on availability in the area.
- The current standard terms and conditions pertaining to the services provided by Vodacom apply.
- Uncapped Internet service requires a block of static, public IP addresses that is routed and reachable on the internet.
- All the BBC Fibre services are by default sold with 1 static IP address and 5 IP addresses will be sold on request. The Static IP address is implemented by means of a Layer 2 Tunnelling Protocol (L2TP) between the customer CPE and the Vodacom Business Point of Presence (VB PoP).
- Please note that all the BBC Fibre Lite services are ONLY sold with a Dynamic IP Address
- The BBC-Fibre service, as an option, supports the standard IP Talk Product up to a maximum of twenty voice lines. Please inquire with your business partner for more detail.
- The BBC-Fibre Lite service, as an option, supports the standard IP Talk Product up to a maximum of TWO voice lines. Please inquire with your business partner for more detail.
